

THE ADVOCATE.

PUBLISHED EVERY WEDNESDAY.

HOME NEWS

A large crowd was in town to pay homage to the Auditor last week.

Mr. John Able, a successful farmer of Leesville, was in town Thursday.

Our subscription list continues to grow. This fact, is a sweet morsel on our tongue. Roll, Jordan Roll.

Miss Maude Kernaghan, has returned to Columbia Female College, after a few days' visit to the home folks.

Mr. Smith, Supervisor of the Southern Railway, has moved into the Hite House. We welcome them to our town.

Quality and not quantity makes DeWitt's Little Early Risers such valuable little pills. B. F. Gunter.

Dr. Gunter spent Friday in our town with relatives. The Doctor has a large practice in Saluda. He also conducts a first-class drug store.

The old fashion candy pulling at Dr. Hardin's Friday should attract saint and sinner alike. Let everybody go, laugh and grow fat.

Sam Rowe, has a well patronized Restaurant, well kept and a good table. Sam guarantees to feed his customers to suit their appetite.

Dr. and Mrs. W. H. Timmerman came from Columbia on Monday. They are preparing to make their abode with us. Long may they dwell here.

We are glad to know that Mr. J. A. Hite and Mr. W. S. Gunter paid a visit last Sunday to some of the Johnston girls. They report a great time.

Miss Emma Kernaghan, who is teaching near Wagoner, was home for a few days last week. We are always glad to see our folks come back home.

Eugene W. Able, Esq., and family passed through town on their way to Saluda one day last week. Mr. Able was the editor of the ADVOCATE quite a while.

Mr. Sion Corley, of Merchants, passed through town Friday, returning from the flour mill. Mr. Corley is one farmer who lives at home and boards at the same place.

Everybody knows Paul Spann, "The Butcher". Paul has been here many years and has the confidence of his white friends. Paul runs a restaurant in connection.

Mr. G. A. Derrick, the efficient Auditor of Lexington County was in town Thursday in the discharge of his duties. He kindly remembered us with a subscription to The Advocate.

Mr. J. A. Banks, of Sardis section was here Friday. We remember very pleasantly, several visits to his home, while teaching at Merchants. Mr. Banks is a staunch citizen.

Such little pills as DeWitt's Little Early Risers are very easily taken, and they are wonderfully effective in cleansing the liver and bowels. Gunter-drugist.

Messrs. W. O. Bodie and W. L. Caughman called to see us last Thursday. These are two sturdy farmers. The ADVOCATE will continue to carry good cheer into their homes.

Mr. Halsey Fox, who represents Batesburg in the Senate, was home shaking hands with his constituents. We hope that Halsey may yet wield the gavel over that august body.

Mr. Paul Quattlebaum, who has recently moved to Edgefield, was here Friday. Edgefield is a good town, but Mr. Quattlebaum ought to have moved here. We will expect him later.

If troubled with a weak digestion, belching, sour stomach, or if you feel dull after eating, try Chamberlain's Stomach and Liver Tablets. Price, 25 cents. Samples free at Gunter's drug store.

Superintendent of Education Wightman came to town last week. He is the original and only Sheral Wightman. While living in Saluda, we always cast our ballot for Wightman.

Miss Lena Harzard, "One of Lexington's fairest belles," has been in town visiting her cousins, Misses Emmie & Morris Rawl. Miss Lena has a host of friends here, who are always glad to see her.

Mr. and Mrs. Robert Lide of Orangeburg have been visiting their cousin Mr. Glover. Mrs. Lide is pleasantly remembered here as Miss Ethel Lowman. Mr. Lide is an active member of the General Assembly.

Mr. Henry Kneese, of Monetta, paid us a profitable and pleasant call on Monday. He left behind him a shining dollar for the ADVOCATE. We have plenty of room for all such callers. Come to see us again, Friend Kneese.

E. F. Gordon, Jeweler, has been here only a short time. During the time he has been here, he has done remarkably well. He intends building a nice store on main street and open up a large line of first-class jewelry.

P. B. Asbill, practice watchmaker and jeweler, has been in business here quite a while. His work compares favorably with any in the country and has a good trade. He guarantees he puts on work, leaving his shop, keeps him busy.

Mr. B. W. McLean, of Johnston, came in to take a prepat at the ADVOCATE outfit on Tuesday. McLean was the pioneer newspaper man of our town. For many years he was the editor of the Johnston Monitor and ably did his edit that journal.

Dr. Harris' Drug and Seed Store has long been the favorite place to buy seeds, and this year it has become a Seed Store. Seeds, Seeds! Nouns to order them now. The best varieties from the best growers with the humbugs left out.

While on a stroll Monday, we saw something coming towards us in the distance which at first seemed to be a strange creature. As it drew near, we found that it was Mr. Wade Crouch riding a Bicycle. Wonderful things have not ceased to happen.

For Sale:

Old newspapers at this office at 15 cents per 100.

Rev. M. D. Padgett, of the Sardis section, was in town several days last week. We have known this good man for years. He is a tower of strength in his community. May he yet pass many peaceful life stones as he journey on toward life's goal.

We modestly suggest to our worthy Supervisor of Saluda county to call out the hands and give the roads a thorough working. They are in sad need of work. A ride over the road is somewhat like sitting on an ice cream freezer while in operation.

Fresh Groceries always on hand at B. F. Furthest & Co.

Our people generally seem interested in the proposed library. It will be a success once it is started. We suggest that the committee named last week have a meeting next Friday afternoon at 4 p. m. Committee men take due notice and govern yourselves accordingly!

We call attention to our excellent Court House Bureau. Our correspondent at this place is one of the most accomplished young men in Saluda Co. We are fortunate in having such a correspondent. Our subscribers may look for plenty of news. We will give the news. You can't "head" us.

The most soothing, healing and antiseptic application ever devised is DeWitt's Witch Hazel Salve. It relieves aches and cures piles, sores, eczema and skin diseases. Beware of imitations. B. F. Gunter, drugist.

Messrs. J. G. Etheridge, E. R. Steadman and Feaster have been on an extended fish down on the Edisto. Great and wonderful tales they tell. Of course everybody believes them! Steadman brought back a huge trout. We will not tell the weight for fear some of the knowing ones would say it was a fish tale.

Steadman & Riley, dealers in general merchandise, have been in business here five years, and have built up a large trade. They have a store at Mt. Willing, which supplies farmers in that section. Mr. E. R. Steadman, the head of this firm is a man of fine business attainments. This firm is increasing its business every year.

To psin preparations often fail to relieve indigestion because they can digest only albuminous foods. There is one preparation that digests all classes of food, and that is Kodol Dyspepsia Cure. It cures the worst cases of indigestion and gives instant relief, for it digests what you eat. F. B. Gunter, drugist.

J. B. Stokes, hardware, is in every sense a hustler. Coming here some ten years ago, Mr. Stokes by hard work and honest dealings has made a success of his business. He guarantees every article leaving his store to be exactly what is represented. Mr. Stokes is a public spirited man. Such men, with always do well anywhere, especially in Batesburg.

We were accompanied on our trip to Saluda, by James Cullum (better known as Buck). While going into Saluda, Buck asked if the Methodist Church was the court house. After quizzing concerning the different houses, he ended his examination by asking, "well, where is that blind tiger house, they talk so much about. (Buck had the dispensary and blind tiger mixed) no doubt, as he grows older, he will become wiser.

This season there is a large death rate among children from croup and lung troubles. Prompt action will save the little ones from these terrible diseases. We know of nothing so certain to give instant relief as One Minute Cough Cure. It can also be relied upon in gripe and all throat and lung troubles at adults. Pleasant to take. F. B. Gunter, drugist.

You Know What You are Taking.

When you take Grove's Tasteless Chill Tonic because the formula is plainly printed on every bottle showing that it is simply Iron and Quinine in a tasteless form. No cure, No pay 50c.

Mr. Miles Riley as everybody knows, is a staid old bachelor. He, however, is making progress, "as a certain church committee reported on the spirituality of the Church." Mr. Riley had an old-fashioned party at his home near Mt. Willing last week. Nearly everyone was there, at least, some folks say. A great time was the result. Very likely some one will assist the host to do the honors of the occasion at the next gathering. Let us hope so.

Steps the Cough and Works out the Cold.

Laxative Bromo-Quinine Tablets cure a cold in one day. No Cure, No Pay. Price 25 cents.

We are endeavoring to send out a first-class sheet. Being new hands at the business, there will naturally occur errors. If you think our paper worthy of patronage, speak a good word for us. Show your paper to your neighbor (just for once only, though) and tell him to join the procession. We have been greatly encouraged the past week. We want everybody to get on the band wagon. So come up, pay your dollar and we will tell the world what a good fellow you were, when you are gone. A hint to the wise is sufficient.

Bucklen's Arnica Salve.

Has world-wide fame for marvellous cures. It surpasses any other salve, lotion, ointment or balm for Cuts, Corns, Burns, Boils, Sores, Felons, Ulcers, Tetter, Salt Rheum, Fever Sores, Chapped Hands, Skin Eruptions, Itchiness for Piles. Cure guaranteed. Only 25c at Gunter's drug store.

A Bill of Beans.

Did you ever see a bill of Beans in writer? Well, you can see one, and a big one too—Almost a little mountain in the window of Dr. Harris' Drug and Seed Store—The most Beans of one kind we ever saw. Somebody is going to plant Beans.

Old People Made Young.

J. C. Sherman, the veteran editor of the Vermontville (Mich.) Echo, has discovered the remarkable secret of keeping old people young. For years he has avoided Nervousness, Sleeplessness, Indigestion, Heart trouble, Constipation and Rheumatism, by using Electric Bitters, and he writes: "It can't be priced too highly. It gently stimulates the kidneys, tones the stomach, aids digestion, and gives a splendid appetite. It has worked wonders for my wife and me. It's a marvellous remedy for old people's complaints." Only 50c. at Gunter's drug store.

From the County Seat at Saluda, S. C.

Saluda, S. C., Jan. 28, 1901.

Rev. H. L. Baggett, who has suffered from a serious attack of Gripe for the past two or three weeks, we are pleased to state, is able to be up again.

Mrs. E. W. Able and children who have been visiting relatives and friends at St. Matthews, S. C., returned home last week. The Col. is looking some better now.

Rep. E. S. Blaise was called home to the bedside of his wife a few days ago. Mrs. Blaise we learn is much better, and Mr. Blaise will return to his duties at Columbia to-day.

Intendant Gunter is having some good work done on our streets. Quite a number of new streets are being opened, which will add very much to the attractiveness of our little village.

We see no reason why Saluda should not, in the near future have good streets, as we are informed that there is upwards of \$100 in the treasury.

Hon. J. W. Seigler has introduced a bill in the Legislature asking that the town of Saluda be allowed to Bond itself in the sum of \$12,000, to aid in building the Johnston and Saluda Railroad. We hope this bill will pass, and our people vote the tax, provided the road is built. Our citizenship should be uniting in their efforts to get railroad facilities. Business men of the town and County should pull together with their energy and capital.

A bill has also been passed to amend the present charter of the road so as to extend it by way of Greenwood to Anderson, S. C. Why should not enterprising Batesburg lead a helping hand, and get connection with railroad facilities at Greenwood? Greenwood is destined in the near future to be one of the greatest railroad centres of the State.

There was quite a crowd of old Confederate Veterans in town the past week looking after their pensions. Many of the battles of old fellows are crippled and we think that each of them should receive a pension; even if only a small amount, they need it.

Col. E. J. Goggins, of Short Mary, Ben Perry and Parson, members of the Pension Board for Saluda County, are in session this morning, passing upon the applications filed by the old "Vets" last week.

No preaching at the Methodist church on account of the inclemency of the weather.

Col. C. J. Ramage, one of our most prominent lawyers, is attending court as Newberry this week.

The Dispensary has been moved from the Trotter store to the Advocate building.

Uncle Bob Smith says Saluda County didn't need any extension of time for the payment of tax, that up to December 31st he had collected \$25,000 out of \$36,000 on the tax books. How many other counties of our State can pay as much.

Mr. Jno. Jennings and Miss Marita Chapman were married by Rev. H. L. Baggett, at the Baptist parsonage Sunday evening. The act of getting married in these parts has gotten to be rather contagious, although the writer has been thoroughly disinfecting. If rumors has it correctly, there are others to follow.

Beat Out of an Increase of His Pension.

A Mexican war veteran and prominent editor writes: "Sewing the advertisement of Chamberlain's Colic, Cholera and Diarrhoea Remedy, I am reminded that as a soldier in Mexico in '47 and '48, I contracted Mexican diarrhea, and this remedy has kept me from getting an increase in my pension for over twenty years. It is unequalled as a quick cure for diarrhea and is pleasant and safe to take. For sale by F. B. Gunter.

Candy Pulling.

There will be an old fashion candy pulling at the residence of Dr. E. K. Hardin on next Friday night, February 1st. The children will be entertained in the afternoon, and the older ones at night. Let everybody come, old and young, and enjoy a pleasant evening socially.

The original "Jack Horner Pie" will be there. Come and get a slice.

Admission, 10 cents. Proceeds for a good cause.

The whole house will be at your disposal and a good time guaranteed. Batesburg people ought to get together occasionally to get acquainted with each other.

His Wife Saved Him.

My wife's good advice saved my life writes E. M. Ross of Winfield, Tenn. For I had such a bad cough I could hardly breathe, I steadily grew worse under doctor's treatment, but my wife urged me to use Dr. King's New Discovery for Consumption, which completely cured me." Coughs, Colds, Bronchitis, La Grippe, Pneumonia, Asthma, Hay Fever and all maladies of Chest, Throat and Lungs are positively cured by this marvellous medicine. 50c. and \$1.00. Every bottle guaranteed. Trial bottles free at Gunter's drug store.
